ECJC —

A Step Along the Way

We come from varied worlds,
here only for the moment
before we move on.

As we pause in an ever-changing world,
we realize that the sorrows we suffer
and the triumphs we share
become tomorrow's memories.

A road winds before us,
but we cannot see around the bend.
We pause —
but soon continue on
to a career, a home, a different life.
ECJC is but one step along the way.

Laurie Gatliff

A Step

Along The Way

From The President's Office

While education is limitless, the individual has limitations. The faculty and staff of Emanuel County Junior College believe that we must teach you, the individual, to be free of your limitations if you are to develop your highest potential and to become a better person than you otherwise would have been.

Our philosophy of education is to teach and improve the individual as an individual. You can develop your unique potentialities only if you are taught to think for yourself and if you are willing to read and study accordingly. In stressing the peculiar and unique attributes of the individual while simultaneously emphasizing a common culture shared by all, the college must insure that all students receive a liberal arts education. To this end you are offered a spectrum of subjects ranging from English composition and literature to the sciences, the arts, and business.

In order to succeed in the goal of attaining an excellent education, you must value individual achievement. You must set and follow ideals and standards, you must accept responsibility for your education and life, and you alone must develop the self-discipline necessary to accomplish your goals in life.

There are always doubts and fears regarding the present and future, but it is reassuring to note that these same doubts and fears are not new. Little did Charles Dickens realize that his words would have as much meaning in the 20th century as during his time of the 18th century.

It was the best of times, it was the worst of times,
it was the age of wisdom, it was the age of foolishness,
it was the epoch of belief, it was the epoch of incredulity,
it was the season of Light, it was the season of Darkness,
it was the spring of hope, it was the winter of despair,
we had everything before us, we had nothing before us ...

Wonderful Wednesday

Spring Thing

Spring Thing is an annual event sponsored by the SGA. Students like this activity best because of the delicious barbeque and bluegrass music. Seeing old friends is also part of Spring Thing. Many different activities take place during the week. This year there was a variety of events, but the best was the talent review. Other happenings on the campus included a Karate/Judo exhibition, and the great fly-away airplane contest. Most students would agree that this was the best Spring Thing ECJC has ever had.

Talent Review

The first ever ECJC Talent Review proved what many of us have known all along — our little campus is loaded with talent! Whether it was Chuck Sumner at the boogie-woogie piano, Zinia Halsey on the dance floor, or the three Soul Sisters, led by Charlene Walker, or just whoever — the performances were super.

ECJC's Nature Trail By Roger Newsome

Over the bridge to work and play
The things we do and see on our way

A rabbit at rest,
There's a snake in the grass
A fright for the class —

ECJC's Nature Trail.

ORGANIZATIONS

Dee Spaid, Vice-president; Tammy Johnson, Freshman Senator; Jeff Bell, Sophomore Senator; Laurie Galliff, Sophomore Senator; Linda Lamb, President; Craig Fredricks, Freshman Senator; James Culbreth, Secretary-Treasurer; Ann Cliett, Freshman Senator; Robby Sharpe, Sophomore Senator. Not pictured are Spring Quarter officers Val Williamson, Ken Warnock, and Patricia Rountree.

SGA

The Student Government Association of ECJC has served the student body well this year. SGA conducted the quarterly faculty evaluations and also sponsored such campus activities as the winter dance, faculty/student volleyball and softball games, the annual Spring Thing week, and speakers throughout the year. With Mr. Wilson, advisor, the elected senators and officers of SGA provide a host of activities for the students of ECJC.

SGA sponsored elections during the second week in October, and that week the bulletin boards looked like this.

James Culbreth and Sue Kite, members; Dr. Jean Bridges, advisor. Dr. Hulon Madeley, not pictured, is also an advisor.

BSU

The Baptist Student Union is an organization involving students of all denominations in spiritual growth and Christian love. The BSU invites speakers on topics of interest to all Christians and promotes Christian brotherhood. Members of BSU worked hard on many activities during the year, one of which was the coffee break at the Mac Frampton show.

Members Kay Webb and Vicki Walden

AAU members for 1981-82 are Charlene Walker, Wendell Summerlin, Barbara Williams, Dianne Martin, Moses Cheatham, Linda Wright, Regina Banes, Ricky Badie, Diane Bell, Leroy Handberry, and Denise Hall.

AAU

The Afro-American Union (AAU) is an organization to involve all students in all aspects of college life. This year the club has been busy with a number of bake sales and a Halloween disco. They have hosted many events such as the Fall Concert, a concert for the student body, and also two speakers during Black History month. A trip to Six-Flags, a Spring Concert, and the annual AAU Banquet were also projects sponsored by this enthusiastic group of young men and women.

AAU Officers for 1982 (from left to right) — Wendell Summerlin, Denise Hall, Charlene Walker, Regina Banes, and James Culbreth

The 1982 *Hoopee Bird* staff. Editor Dee Spaid, Reporter Ann Cliett, and Reporter Val Williamson put their heads together to plan an issue.

Mrs. Jane Stroud, Staff advisor.

Hoopee Bird

Hoopee Bird gets it first! Covering the varied and numerous news events at ECJC is a tiring and continuing task. Someone has to attend all events, note carefully what happened, what was said or done and who said or did it, write it out so that it all makes sense, and then type it up. And that's just before the editor reads it. But this year's staff has done its job well, and we're all proud of them.

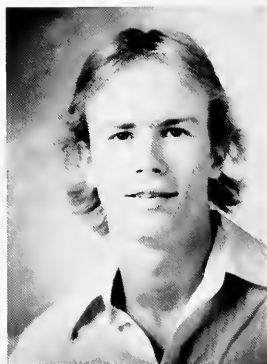

Wiregrass

Dr. Richard Raymond, Advisor

Tammy Martin, Editor

Mark Williams, Photography Editor

Wiregrass is the literary magazine of ECJC. This yearly publication contains short stories, essays, poems, artwork, and photography submitted for and by the students. This year's *Wiregrass* exhibited the creative abilities of the students of ECJC. Editors Mark Williams and Tammy Martin, along with Dr. Richard Raymond, advisor, did an extremely good job in preparing the *Wiregrass* for the faculty and student body of ECJC.

THE 1982 BRIARPATCHSTAFF (from left to right): Donna Branch, Robby Sharpe, Dr. Netterville. Second row: Teah Bishop, Ann Cliett, Jimmy May, Tammy Johnson, Beth Johnson, and Lisa White. Third row: Patti Scrogam, Laurie Gatliff, James Culbreth, Bobby Thanepohn, Donna Johnson, and Royce Patrick.

Briarpatch

The *Briarpatch* staff is dedicated to the production of the college yearbook. Many projects were pursued by the staff to raise funds for the production of the book. These projects included in-between class bake sales, downtown cake sales, yearbook sales, and ad sales. The *Briarpatch* staff also sponsored a 50's Day Dance during fall quarter for the student body. Our staff has worked hard and we hope our book will provide a medium for remembering the good times spent at ECJC.

Teah Bishop and Robby Sharpe show off the cake baked for 50's Day, a *Briarpatch* sponsored event.

ECJC was indeed a busy place in 1982, and many club sponsored activities were a part of the action. Representative activities included Briarpatch's 50's day, SGA's elections, BSU's bake sales, and AAU's banquet.

CAMPUS

LIFE

Augusta Mayor Ed McIntyre addresses the AAU at their sumptuous banquet.

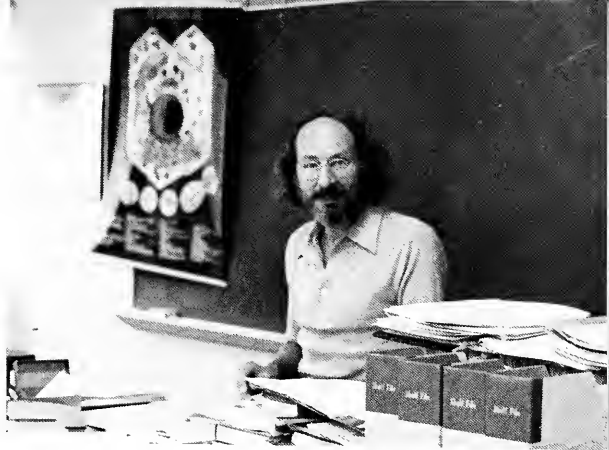

Boy, have we heard that one before.

It's not American Bandstand, but it's the best we can do.

You did *what* with your crustacean?

Well, my advisor
said that
hanging around
the stairs was
always a cool
move.

Now, Mrs. Stroud, it's a one, a two, a three

...

Me? Worried about a final?

I aced that one!

This really takes me back.

And am I really kin to Kunta
Kinte?

If I could only think of a way to
get that #@\$\$! editor off my
back.

So do we really get free cigars?

I personally think that you should invest in Salvadorean farms. Linda!

Don't you dare!

Walking on easy street.

That's a good one, Hulon!

And you *really* liked the show?

Come closer, my dear.

They call me smiling Dan.

Love them barefoot women!

From The Editor

After twelve months of toil and aggravation, the 1982 *Briarpatch* is now a reality. No one realizes the amount of work a yearbook requires except those who have worked on one. The process is filled with terse comments, nail biting, hair pulling, and teeth grinding. But when this one is finished and I can open the cover, I think I'll honestly be able to say it was well worth all the effort.

This book would not have been possible without the immeasurable help of President Gunn, Mrs. Stoud, Mr. Dorsey and especially Dr. Netterville. I would personally like to thank Robby Sharpe for his contributions to the staff, yearbook, and this school. Also, on behalf of the staff and myself, I would like to thank Danny Scott, our Josten's representative.

Finally, to the graduates, I dedicate this book. ECJC is truly a step along the way for all of you. I hope it has been as great as it has been for me. May you recall your days at ECJC with fondness.

Best wishes,

Donna H. Branch
